

Business Park

Offices available to let within
Abu Dhabi Airports Free Zone

Abu Dhabi Airports Free Zone at Abu Dhabi International Airport currently operates three main facilities and services: the Business Center, Logistics Park and the Business Park. Business can collaborate with ease within this 'AEROTROPOLIS', thriving in both a functional and an unique environment that will include residential, recreational, retail, and lifestyle districts.

The Business Park building 1 was completed in Q1 2015, providing businesses with a unique opportunity to operate at the center of one of the world's fastest growing economies, located adjacent to Abu Dhabi International Airport Terminal 3 and next to Premier Inn Hotel.

The new Business Park building is G+4 floors and is designed for optimum business efficiency particularly for local or international companies who are seeking to work within an Airport and Free Zone environment to have facilitated access to the global market.

The Business Park 1 offers the following benefits:

- New facility with Grade 'A' specification
- Leasable areas starting from 24m²
- Partially fitted offices
- Free Zone environment & services
- Executive meeting rooms & conference facilities
- Office accommodation serviced by 3 lifts to all floors
- Pantry and W/C facilities located on each floor
- Dedicated staff & visitors parking
- Hotel, banks and food courts
- Utilities, maintenance and other Free Zone services within a One-Stop-Shop

Abu Dhabi Airports Free Zone provides services for your business such as:

- Registration
- Licensing
- Leasing & property management
- Employee services
- IT & telecommunication services
- Maintenance and many other services

You'll also gain access to a range of Free Zone benefits, such as:

- 100% foreign company ownership
- 100% corporate and income tax exemptions
- 100% capital and profit repatriation
- 24/7 security and access to facilities
- In-house IT & telecommunication services
- Independent regulations
- Easy-to-do business with processes
- Easy access to the regional markets

How to secure your office:

Step 1 - Apply

Submit the preliminary application form and supported Free Zone registration documents.

Step 2 - Sign/Pay

Once approved, please sign the commercial terms, make the payments and complete your Registration & Licensing documents.

Step 3 - Operate

Get your Free Zone license and operate from your new facility.

Our highly qualified team will be more than willing to assist you with any inquiry you may have to set up your business at Abu Dhabi Airports Free Zone.
